CONFERENCE

Coinciding with EXCON 2015, a two-day Conference on Rebooting Infrastructure was held on 26th and 27th November, 2015 at the BIEC Complex, Bangalore. Over 600 Delegates attended the 2 Day Conference.

EXCON 2015

AERIAL SHOT

Excon is happening at a very opportune time when products manufactured in India is recognized nationally and internationally and the domestic consumption as well as exports have been increasing."
— **Nitin Gadkari,**
Minister of Road Transport, Highways & Shipping
Government of India

The Earthmoving and Construction Equipment market is expected to grow by 20 to 25 percent over the next few years to reach 330,000 units sold in 2020. This will imply a US$ 16 billion to US$ 20 billion market up from today's US $ 3 billion.
— **Sumit Mazumder, President,**
Confederation of Indian Industry

Excon 2015 is the largest of all and it has surpassed the figures of the past editions and also to the competing shows in India and hence has once again proved to be the 'One stop solution for all the Construction Equipment and Technology needs in South Asia.
— **Chandrajit Banerjee,**
Director General, CII

The scope and reach of EXCON has been growing over the years and today we see the greatest number of industry and visitor participation, making EXCON 2015 the biggest ever exhibition of CE not just in India but also in South Asia.
— **Vipin Sondhi,**
Chairman Excon - 2015

Visibility of India and the Indian economy has increased phenomenally over the past few years and the country's future potential is being played out to prospective investors with aplomb.

Sebastian Popp,
Deputy Managing Director, Construction Equipment and Building Material Machinery (VDMA)

The Exhibition attracted serious business visitors over the last three days. Some of the Italian companies have been successful in striking business deals. The event attracted a good number of both Domestic and International companies.

Davide Ansaloni,
Responsabile Area nternationalizzazione,
Confindustry Modena, Italy

As business has improved we are looking for more business associations here at EXCON. I have also come here with my other colleagues to specifically buy tyres for heavy lift equipments.

Hanumanth,
Dealer, Raichur

The mining business is set to take off again in Karnataka after the recent conditional lifting of the ban by the Supreme Court. I look forward to more business now hence have come to see earth moving machinery.

Kalyan Kumar, Kalapatru
Earth Movers, Hassan

Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering industry, Government, and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, playing a proactive role in India's development process. Founded in 1895, India's premier business association has over 8000 members, from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 200,000 enterprises from around 240 national and regional sectoral industry bodies.

CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes. Partnerships with civil society organizations carry forward corporate initiatives for integrated and inclusive development across diverse domains including affirmative action, healthcare, education, livelihood, diversity management, skill development, empowerment of women, and water, to name a few.

The CII theme for 2016-17, **Building National Competitiveness**, emphasizes Industry's role in partnering Government to accelerate competitiveness across sectors, with sustained global competitiveness as the goal. The focus is on six key enablers: Human Development; Corporate Integrity and Good Citizenship; Ease of Doing Business; Innovation and Technical Capability; Sustainability; and Integration with the World.

With 66 offices, including 9 Centres of Excellence, in India, and 9 overseas offices in Australia, Bahrain, China, Egypt, France, Germany, Singapore, UK, and USA, as well as institutional partnerships with 320 counterpart organizations in 106 countries, CII serves as a reference point for Indian industry and the international business community.
